

258.5 Reimbursement from federal and state moneys.

1. At the end of the fiscal year, an approved regional career and technical education planning partnership is eligible to receive, from federal and state funds, reimbursement for expenditures made during the fiscal year for purposes allowed under [section 258.14, subsection 6](#). If federal and state funds are not sufficient to make the reimbursement to the extent provided in [this section](#), the director shall prorate the respective amounts available to the regional career and technical education planning partnerships entitled to reimbursement.

2. The director may use federal funds to reimburse approved practitioner preparation schools, departments, or classes for the training of teachers of agriculture, food, and natural resources; arts, communications, and information systems; applied sciences, technology, engineering, and manufacturing; health sciences; human services; and business, finance, marketing, and management. The director may also use such funds to reimburse approved practitioner preparation schools, departments, or classes for the training of guidance counselors.
